Dear Parents,

The governors of Barkway and Barley First Schools are pleased to inform you that Mrs. Sharon Brown has been appointed as the new Executive Headteacher of the proposed Federation of our two schools, and will take up her new appointment in September.

The appointment followed a rigorous day of professional tasks and presentations at both schools and a formal interview with a panel of governors. We look forward to working with Mrs. Brown in developing the Federation and congratulate her on a successful appointment.

Yours sincerely,

Carol Arrowsmith
